Dear Diane:

This letter is to acknowledge receipt and approval of the Darlington County School District technology plan update for 2009-10. The SDE Web site will be updated to reflect this approval. I will also furnish a copy of this letter and the certification document to Betsy Smoak at the CIO's office at the Budget and Control Board where your technology plan is now housed. Betsy will put these documents in your E-rate file in the event we are audited.

Thank you for furnishing this update for review.

Sincerely,

Gary West
